

THE LEN EVANS *Tutorial*

We are seeking the support of like-minded organisations and people.

Organisations that believe in the value of education, in the vision of Founder Len Evans AO OBE and in the work of our extraordinary wine education program.

Those who understand the need to invest in the development of high-calibre Australian wine professionals, confirming Australia's place as a great wine nation. Those who are prepared to support an initiative that supports the industry on so many levels.

The LET is a non-profit program funded entirely by sponsorships and donations, run almost entirely by volunteers. We are in the process of expanding our support structure, which has changed little since Len established the Tutorial in 2001.

We are ever grateful to our foundation sponsors, many of whom have been part of this wonderful program since Day One. The LET would not have succeeded as it has without this support, and we are hopeful that these relationships will continue well into the future.

But to guarantee overall consistency and ensure that the highest possible standards are employed in the running of the Tutorial, over \$10,000 per attendee is now required to fund each scholar placement, amounting to over \$120,000 in total, excluding wine.

In 2021 we are offering 20 Principal Supporter packages, each of equal value, being \$6,000 + GST per supporter.

Principal Supporters will receive acknowledgement in all associated communications, press releases and printed material, on our website and of course, social media.

Principal Supporters will also be given the opportunity to **send 2 bottles of their flagship wine** to be tasted by the scholars and tutors during the Tutorial week at welcome and farewell events.

In 2021, Principal Supporters will also receive an invitation for one representative to attend the **20th Anniversary Dinner** on Sunday 31st October in the Hunter Valley, where special wines from the Tutorial collection will be featured. Fellow invitees will include all past tutors who have so generously contributed to the program since inception and well as all the previous years' DUX. Accommodation will be provided for all by the LET.

In addition to the celebration dinner, we will be holding a discussion forum at 2pm on the same Sunday to explore future strategy and opportunities for the Len Evans Tutorial. All sponsors are invited to attend. The 2021 Tutorial will kick off the next day.
